

Corrigendum

In the paper ‘p27^{Kip1} accumulation is associated with retinoic-induced neuroblastoma differentiation: evidence of a decreased proteasome-dependent degradation’ by A Borriello *et al.*, *Oncogene*, 2000, **19**, 51–60, the affiliation for the fifth author, Gian Paola Tonini, was incorrect. The correct address is Laboratory of Population Genetics, National Institute for Cancer Research (IST), Genova, Italy.
