

CORRIGENDUM**Can we shorten the lactose tolerance test?**

JL Domínguez Jiménez and A Fernández Suárez

European Journal of Clinical Nutrition (2014) **68**, 642; doi:10.1038/ejcn.2014.48

Correction to: *European Journal of Clinical Nutrition* (2014) **68**, 106–108; doi:10.1038/ejcn.2013.240; published online 27 November 2013

Since the publication of this paper, the authors have realized that there is an error in the legend of Figure 1 where Pathological and Normal should be the other way around.

The corrected Figure 1 is shown here.

The authors apologize for any inconvenience caused.

Figure 1. Comparison of average blood glucose levels at different times between normal and pathological classic LTT with confidence interval at 95%.
