Origin of spatial charge inhomogeneity in graphene

Yuanbo Zhang, Victor W. Brar, Caglar Girit, Alex Zettl and Michael F. Crommie

Nature Physics **5**, 722–726 (2009); published online: 30 August 2009; corrected after print: 24 December 2009.

In the version of this Letter originally published, the first character of the label in Fig. 2c should have been ∇ . The full label should therefore have read $\nabla^2 z(x,y)$. This change has been made in both PDF and HTML versions of this Letter.
