Correction to: *Neuropsychopharmacology* <https://doi.org/10.1038/s41386-025-02052-z>, published online 30 January 2025

In this article, the words 'data acquisition and interpretation' were missing from Graziano Pinna's author contribution. The correct

attribution should have been 'Graziano Pinna: Data acquisition and interpretation, writing, editing, methodology, completion of biological analyses'.

The original article has been corrected.
