The original version of this Article contained a few errors in the author affiliations and in the Acknowledgements section.

Affiliation 5 was incorrectly named as “Department of Physics, Beijing Normal University, Beijing 100875, China” instead of “School of Physics and Astronomy, Beijing Normal University, Beijing, 100875, China”. Moreover, a new affiliation number 6, “Key Laboratory of Multiscale Spin Physics, Ministry of Education, Beijing, 100875, China”, has now been added for the following authors: Yu Tian, Yuelin Zhang and Jinxing Zhang. The other affiliation numbers have been corrected accordingly.

In the Acknowledgements section, the National Natural Science Foundation of China Grant No. 52225205 and the National Key Research and Development Program of China Grant No. 2021YFA0718700 were missing. Moreover, the contribution of the Fundamental Research Funds for the Central Universities was erroneously omitted.

This has been corrected in the PDF and HTML versions of the Article.
