In this article the affiliation ‘Max Planck Research Group iSearch, Max Planck Institute for Human Development, Berlin, Germany’ was incorrectly given for Rogier Mars but should have been removed. In addition, the affiliation ‘Wellcome Centre for Integrative Neuroimaging, Centre for Functional MRI of the Brain (FMRIB), Nuffield Department of Clinical Neurosciences, John Radcliffe Hospital, University of Oxford, Oxford, UK’ was incorrectly given for Azzurra Ruggeri but should have been ‘Max Planck Research Group iSearch, Max Planck Institute for Human Development, Berlin, Germany’. The original article has been corrected.
