In the version of this article initially published, there were errors in Fig. 4d and 4h and the associated Source data. In Fig. 4d, the western blot showing Tubulin was incorrect and inadvertently duplicated from Fig. 4h. The correct western blot showing Vinculin for Fig. 4d has been identified and the error corrected in the HTML and PDF versions of the article. The raw data for Fig. 4d and 4h are included as Supplementary information alongside the online version of this amendment.
