

Publisher Correction: Antiviral CD8 T cells induce Zika-virus-associated paralysis in mice

Kellie A. Jurado, Laura J. Yockey, Patrick W. Wong, Sarah Lee, Anita J. Huttner and Akiko Iwasaki 

Correction to: *Nature Microbiology* <https://doi.org/10.1038/s41564-017-0060-z>, published online 20 November 2017.

In the version of this Letter originally published, technical problems led to errors in Figs. 3e and 4f. In Fig. 3e, the bottom right graph had an incorrect title of 'CD8⁺ T cells'; it should have instead been 'CD4⁺ T cells'. In Fig. 4f, the bottom panels had an incorrect title of 'CD8 competent *Ifnar*^{-/-} 7 d.p.i. cerebral cortex'; it should have instead been 'CD8 depleted *Ifnar*^{-/-} 7 d.p.i. cerebral cortex'. These errors have now been corrected in all versions of the Letter.
