In Figure 3, the title ‘Effective individuals per unit of productivity (N_e/NPP) FP/HG’ is incorrectly given as ‘Effective population size (N_e) FP/HG’. The correct Figure 3 appears below as Figure 1.

This Article also contains errors in the Results section under subheading ‘Migration’.

“To take into account the mentioned hypotheses, we calculated the ratio of N_e in SE Asia Dataset 1”

should read:

“To take into account the mentioned hypotheses, we calculated the ratio of N_e/NPP for food producers over foragers in SE Asia Dataset 1”

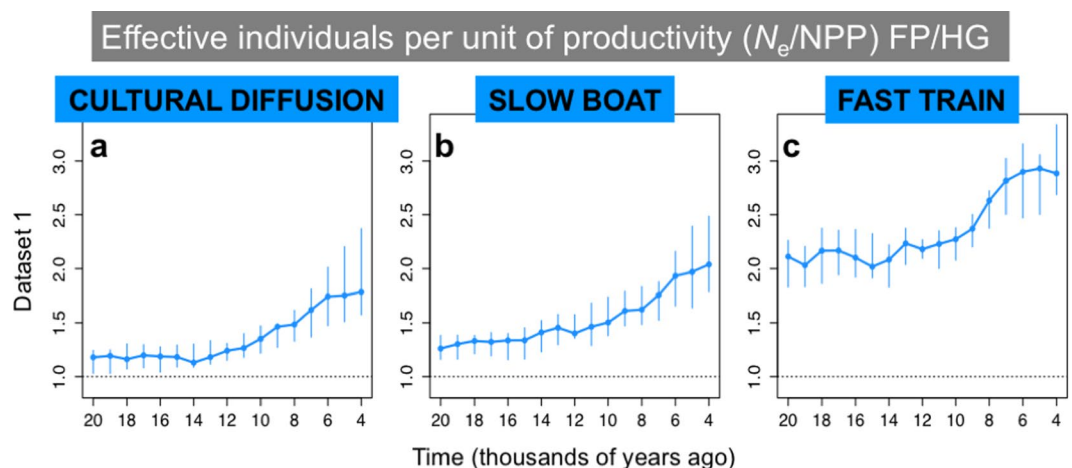

Figure 1.
