

OPEN **Publisher Correction: Splice-specific deficiency of the PTSD-associated gene PAC1 leads to a paradoxical age-dependent stress behavior**

Jakob Biran, Michael Gliksberg, Ido Shirat, Amrutha Swaminathan, Talia Levitas-Djerbi, Lior Appelbaum & Gil Levkowitz

Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-020-66447-2>, published online 12 June 2020

In the original version of this Article, Supplementary Figures 1, 2 and 3 were uploaded as separate supplementary files. Furthermore, the Supplementary Figure Legends for Supplementary Figures 1, 2 and 3, as well as a Supplementary Table containing a list of oligonucleotides used for gRNA transcription and RT-PCRs were inadvertently omitted. These errors have been corrected in the Supplementary Information that now accompanies the Article.
