Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-020-63524-4>, published online 16 April 2020

The original version of this Article contained a repeated typographical error where,

“117% RH”

now reads:

“100% RH”

In addition, in Figure 9 the Hygrothermal Treatment was incorrectly labelled as “117% RH”, and now reads “100% RH”.

These errors have now been corrected in the HTML and PDF versions of the Article.
