Retraction of: *Scientific Reports* <https://doi.org/10.1038/s41598-024-75784-5>, published online 26 October 2024

Editors have retracted this Article.

Following publication, concerns were raised with the Editors about the substantial similarity of this article with an arXiv preprint from a different set of authors<sup>1</sup>, which predates the publication of this Article. The Editors therefore consider this work redundant.

All authors disagree with this retraction.
