Correction to: *npj Climate and Atmospheric Science* <https://doi.org/10.1038/s41612-025-01002-2>, published online 01 April 2025

In this article, the word “diagnose” present in the seventh line of the abstract was incorrectly given as “diagose” and also the description of panel c in the caption for figure 5 was given as “a,b” but should have been “a-b”

The original article has been corrected.
