In this article Ref. 7 was incorrectly given as ‘Glutamate cysteine ligase—modulatory subunit knockout mouse shows normal insulin sensitivity but reduced liver glycogen storage. *Front. Physiol.* 7, 142 (2016)..’ and should have read ‘Lavoie, S. et al. Glutamate cysteine ligase—modulatory subunit knockout mouse shows normal insulin sensitivity but reduced liver glycogen storage. *Front. Physiol.* 7, 142 (2016).’. The original article has been corrected.
