Scientific Reports 7:45235; doi: 10.1038/srep45235; published online 22 March 2017; updated 22 December 2017

The original version of this Article contained an incorrect link to the Breast Cancer Integrative Platform in the Abstract.

“To facilitate the identification of potential regulatory or driver genes, we present the Breast Cancer Integrative Platform (BCIP, <http://omics.bmi.ac.cn/bcancer/>).”

now reads:

“To facilitate the identification of potential regulatory or driver genes, we present the Breast Cancer Integrative Platform (BCIP, <http://www.omicsnet.org/bcancer/>).”

This has now been corrected in the PDF and HTML versions of the Article.
