The original Article contained an error made during the assembly of Figure 6E and 6G. In Fig 6E, the image shown in OE.NC group was misused from sh.NC group; while the OE.HGF panel was misused from a set of experiments performed at the same time for a different study. In Fig 6G, the image shown in OE.NC group was misused from sh.NC group; and the image shown in SGC exo+sh.HGF group was misused from the mock group. The corrected version of Figure 6 is shown below.

Corrections & amendments

The figure has been corrected in the PDF and HTML versions of the Article.

Raw data are appended below.
