In this article the units on the y-axis of Figures 4a and 6a contained an error. In figure 4a, the y-axis units ' $\text{cm}^2 \text{atm A}^{-1}$ ' were incorrectly written as ' $\text{cm}^2 \text{atm mA}^{-1}$ '. In figure 6a, the y-axis ' $\text{Specific activity at 0.9 V (mA cm}^{-2}\text{)}$ ' was incorrectly written as ' $\text{Specific activity at 0.9 V (A cm}^{-2}\text{)}$ '. The legend for Fig. 4a inadvertently reported the wrong temperature. ' 333 K ' was incorrectly written as ' 353 K '. The original article has been corrected.

The units in the Supplementary Table S2 of this article contained an error in which ' $\text{kcal}\cdot\text{mol}^{-1}\cdot\text{rad}^{-2}$ ' was incorrectly written as ' $\text{kJ}\cdot\text{mol}^{-1}\cdot\text{rad}^{-2}$ '. The HTML has been updated to include a corrected version of the Supplementary Information.
