

## Publisher Correction: HOS1 activates DNA repair systems to enhance plant thermotolerance

Shin-Hee Han , Young-Joon Park and Chung-Mo Park 

Correction to: *Nature Plants* <https://doi.org/10.1038/s41477-020-00809-6>, published online 16 November 2020.

In the version of this Letter originally published, the boxplot in the lower-right corner of Fig. 1 had a typo in its key. The label for the light-grey shaded bars was incorrect as '*hos1-5 35S:mHOS1*'; it should have been '*hos1-3 35S:mHOS1*'. This has now been corrected.
