In the version of this article originally published, due to figure preparation error, the immunofluorescence staining image of the A549 tumor issues in Fig. 4i was incorrect. For comparison, the original figure is available as Supplementary Information alongside this amendment. The figure is now updated in the HTML and PDF versions of the article.

### Additional information

**Supplementary information** The online version contains supplementary material available at <https://doi.org/10.1038/s41551-025-01570-x>.
