In the version of the article initially published, Fig. 4h was incorrect due to copy–paste errors in the associated Source data. Additionally, the y-axis label of Fig. 4h was “Total radiance (photons s⁻¹)” but should have been “Total radiance (×10⁵ photons s⁻¹)”. Fig. 4h and the corresponding Source data have been corrected in the HTML and PDF versions of the article, as seen in Fig. 1.
