

## Author Correction: The rise and fall of the Old World savannah fauna and the origins of the African savannah biome

Ferhat Kaya , Faysal Bibi, Indrė Žliobaitė, Jussi T. Eronen, Tang Hui and Mikael Fortelius

Correction to: *Nature Ecology & Evolution* <https://doi.org/10.1038/s41559-017-0414-1>, published online 1 January 2018.

In the version of this Article originally published, each of the five panels in Fig. 5 incorrectly contained a black diagonal line across the plot. This has now been corrected.
