In the version of this article originally published, there were typographical errors in Fig. 1c, where in the H_{EF} matrix, a minus sign was missing in “ $\delta\Sigma^X e^{-i\omega_X t}$ ”, while the frequency shown next to the blue upward arrow, now reading “ $\hbar\omega_X$ ”, originally appeared as “ $\hbar\omega_p$.” The errors have been corrected in the HTML and PDF versions of the figure.
