In the version of this article initially published, the reference cited at the end of the sentence “Around ten related approaches to the production of phage displayed libraries of T2S-cyclic peptides have been reviewed recently” was incorrect; the citation has now been amended to Hampton, J.T. & Liu, W.R. Diversification of phage-displayed peptide libraries with noncanonical amino acid mutagenesis and chemical modification. *Chem. Rev.* **124**, 6051–6077 (2024) in the HTML and PDF versions of the article.
