Published online 16 February 2018

In Figure 1 of this article as originally published, the chemical structure at bottom right was incorrectly labelled  $^{18}\text{F}$ -PM-PBB3. The text label has been corrected to  $^{18}\text{F}$ -PBB3 in the PDF and HTML versions of the article. As of this date, the structure of PM-PBB3 (also known as APN-1607) has not yet been published.
