Correction to: *Nature* <https://doi.org/10.1038/s41586-018-0812-9>, published online 31 December 2018.

In this Letter, panel j was inadvertently labelled as panel k in the caption to Fig. 4. Similarly, 'Fig. 4k' should have been 'Fig. 4j' in the sentence beginning 'TNF- α -deficient gBT-I cells were...'. In addition, the surname of author Umaimainthan Palendira was misspelled 'Palendria'. The original Letter has been corrected online.
