In this Article, owing to errors in the production process, incorrect units were shown on the  $x$  axes of Fig. 1c and d. These values are dimensionless and therefore the  $x$  axes for Fig. 1c and d should have read 'Total density,  $n_0$ ' and 'Time,  $t$ ', respectively, instead of 'Total density,  $n_0$  ( $\mu\text{m}^{-3}$ )' and 'Time,  $t$  (ms)'. In addition, in the main text, the statement 'the fractal-like structures seen around  $t=80$  ms' should have read 'the fractal-like structures seen around  $t=80$  (in dimensionless units)'. These errors have been corrected online.
