---

In the version of the article initially published, in Extended Data Fig. 2b, the “Trpm8” images for “C<sub>6/7</sub> DRG” and “L<sub>4/5</sub> DRG” were identical and have now been replaced in the HTML and PDF versions of the article. The original Extended Data Fig. 2 is available for comparison as Supplementary information accompanying this notice.

**Supplementary information** is available in the online version of this amendment.
