In the version of this article initially published, there were typographical errors in the units listed in the Methods “Manufacturing of AFM13-NK cells from CB” section, where in the text now reading “The NK cells were enriched ... followed by preactivation for 16 h with 10 ng ml IL-12 (Miltenyi Biotec), 50 ng ml⁻¹ IL-15 (R&D Systems) and 50 ng ml⁻¹ IL-18 (R&D Systems),” “μg” appeared instead of “ng” in three places. The errors have been corrected in the HTML and PDF versions of the article.
