Retraction Note: Sign language recognition using the fusion of image and hand landmarks through multi-headed convolutional neural network

Published online: 08 January 2025

Refat Khan Pathan, Munmun Biswas, Suraiya Yasmin, Mayeen Uddin Khandaker[ID], Mohammad Salman & Ahmed A. F. Youssef

Retraction of: *Scientific Reports* https://doi.org/10.1038/s41598-023-43852-x, published online 09 October 2023

The Editors have retracted this Article because it contains a number of nonstandard phrases. These phrases may have been introduced as the result of editing software to reduce overlap with previously published articles. The Editors therefore no longer have confidence in the reliability and the original contribution of this Article.

Authors Refat Khan Pathan and Mohammad Salman disagree with this retraction. The other Authors have not responded to correspondence regarding this retraction.
