Correction to: *Scientific Reports* <https://doi.org/10.1038/s41598-020-69569-9>, published online 27 July 2020

The original version of the Article contains an error. The Data Availability section is incomplete.

“All species recorded during this study are included in Supplementary Information files of this article.”

should read:

“The datasets generated and analyzed during this study are not publicly available due to the presence of rare and endangered species at the study sites. However, they are available from the corresponding author upon reasonable request. Site locations and a list of all species recorded in this study are included in the Supplementary Information files of this article.”
